Mitchelle Wasike

Junior Software Developer

in Mitchelle Wasike

About Me

I am recent high school graduate looking foward to explore more in the tech field and gain more knowledge and experience in differnet programming languages. I have a strong passion for technology and aim to inspire other ladies to to join the tech field. I also purpose to enhance my sight reading and instrunmnet playing skills by joining differnet music organizations.

Education

Certificate of Software Development

[Power Learn Project June2022–Sept 2022]

- Contributed to a 5th place winning project in Web Technology.
- Covered four course modules i.e Python Programming, Dart Programming, Database Programming and Web Technology.

High School Certificate, KCSE

[St.Georges Secondary School 2018 – April2022]

- I was a part of St. Georges Secondary School for the four and a half years of my high school experience.
- While here is where I learnt values such as integrity, patience, tolerance and hardwork.
- I enrolled in: Junior Achievment, Amani Club, Athletics, Soccer Team, School Orchestra(Clarinetist)

Primary School Certificate, KCPE

[Riara Primary School 2010 – 2017]

- I was a part of Riara Primary School for the eight years of my primary school experience.
- While here I learnt values such as determination, hardwork, honesty and resilience.
- I enrolled in: School Band, Soccer Team and Tech Club.

Experience

🅿 Power Learn Project

Front-end Software Developer

- I took up the Front-end Developer role at Power Learn Project Hackathons and projects. I got to design our teams portfolio website and many other projects. This helped me gain hands on skills as well as Teamwork Skills.

Achievments and Awards

🏆 Moringa School One Week Bootcamp

- Team Fervent emerged position 2 during the 24-hackathon at Moringa School for the free one week Bootcamp. Created the project using basic HTML, CSS and JavaScript knowledge.

🏆 PLP Web Technology Hackathon

- Team emerged fifth position during the Power Learn Project's Web Technologies hackathon. Created the project using HTML, CSS, Bootstrap and JavaScript knowledge

Volunteer Work and Interests

➕ Yusudi Mental Health Youth Program

[Holy Trinity Church Aug 2022- Jan 2023]

- All maters Mental Health related.
- Certification after the program

🎵 Kenya National Youth Orchestra

- A member playing the clarinet/saxophone
